## 2023 Bulk Leaf Pick Up Information

AUTUMN IS HERE...

### IT'S TIME FOR BULK LEAF PICK UP

The City of Plymouth Department of Municipal Services will be offering bulk leaf pick up this autumn. Please refer to the calendar at the right and the map on the reverse side to determine the assigned weeks for pick up at your address.

Residents are required to have leaves neatly raked to the curb by 7:00 A.M. on the Monday of the designated week(s). Having the leaves to the curb on time and on schedule will ensure that when we are collecting leaves on your street, your leaves will not be missed. If we are on your street on Monday and your leaves are not out to the curb, it may be a couple of weeks until we are back in your area.

#### REMINDERS:

- Park cars away from leaf piles as car exhaust may catch leaves on fire.
- Leaf piles that are over storm drains will cause flooding. Please take care to keep grates free of leaves, even if you have to go out in the rain to clear the grates on your street.
- Grass clippings, branches/limbs, corn stalks, pumpkins, dirt, rocks, firewood, stumps, root balls, etc. cannot be picked up with bulk leaves. Please do not place these items on top of leaf piles.
- Bulk leaf pickup occurs only in the fall and is separate from curbside compost pickup and brush chipping.

Please place grass clippings, brush, corn stalks, pumpkins, etc. in brown Kraft lawn refuse bags or in containers labeled "compost." Weekly compost pick up will occur on your regular trash day through the week of December 4, 2023 by the City's Solid Waste contractor.
