Statement on explanation of the reason why the public body is meeting electronically:

On March 10, 2020 the Governor of the State of Michigan declared a State of emergency across the State of Michigan under section 1 of Article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401 – 421, and the Emergency Powers of the Governor Act of 1945, 1945 PA302, as amended, MCL 10.31 – 33. These sections provide the Governor with broad powers and duties to cope with dangers to this state or to the people of the state.

As a part of the response to the emergency, the Governor has deemed it reasonable and necessary to temporarily suspend rules and procedures relating to physical presence at meetings and hearings of public bodies and other governmental entities in Michigan. These public bodies and entities must continue to conduct public business during this emergency. Due to the emergency situation and the request of the Governor to not gather in groups of 10 or more it is necessary for some public boards to meet electronically.

Re:	DDA 2021-22 Budget Resolution

The City's DDA is a separate legal incorporation and therefore has its own budget. However, unlike the past in which the DDA budget was required to be adopted by the DDA Board before being sent for inclusion in the City Commission's adopted annual budget, a new version of Public Act 57 adopted by the state legislature and signed by the governor in 2018 requires the City Commission to adopt the budget before being adopted by the board.

RECODIFIED TAX INCREMENT FINANCING ACT (EXCERPT) Act 57 of 2018

***** 125.4228.new THIS NEW SECTION IS EFFECTIVE JANUARY 1, 2019 *****

125.4228. new Budget; cost of handling and auditing funds.

Sec. 228.

(1) The director of the authority shall prepare and submit for the approval of the board a budget for the operation of the authority for the ensuing fiscal year. The budget shall be prepared in the manner and contain the information required of municipal departments. Before the budget may be adopted by the board, it shall be approved by the governing body of the municipality. Funds of the municipality shall not be included in the budget of the authority except those funds authorized in this part or by the governing body of the municipality.

DDA staff, as usual, prepared the budget in February and presented it to Finance Director John Scanlon for review. The City Commission passed the DDA budget as part of the overall city budget at its June 7, 2021 meeting.

Below are explanations of major line items in the 2021-2022 DDA Budget which begins on July 1, 2021.

REVENUES– Property tax revenues (248.000.403.000) (page 166 ***A**) in fiscal year 2021-222 are projected to increase by approximately \$16,000. The total budget revenues of approximately \$1.135-million is up about \$46,000 from 2020-21 levels.

Estimated revenues related to concerts (248.000.620.000) (page 166 ***B**) are projected at \$60,000. However, with an additional major sponsor in Henry Ford Health System...joining Bank of Ann Arbor and Hines Park Lincoln...as well as individual concert sponsorships the 14-concert series is once again on a pace to be cost-neutral, as it has been for the at least a decade.

EXPENDITURES – The DDA continues to pay the Saxton's bond payment of \$223,510 (248.965.965.315) (page 169 ***C**), and will for the next four years. However, the sale money will be used toward parking; which could include purchasing property for additional parking, constructing a new parking lot, such as at the Saxton's property, or the reconstruction of current parking lots.

With the DDA Board's vote at the November 13, 2014 meeting to support 25-percent of the cost for a downtown-based police officer (248.301) (page 167 ***D**), this year's anticipated expenditure of \$33,250 is down slightly from the 2020-21 budget. Projected over 4 years, with salary, benefits and other factors going up each year, the DDA's contribution is expected to increase to \$37,090 by 2024-25.

The three line items that pay for the DDA's use of city services will all go up by 3 percent. DDA Operating Fund City administrative services (248.290.815.000) (page 167 *E) of \$63,300; parking system administrative services (248.443.815.000) (page 168 *F) for parking enforcement at \$43,920; and the infrastructure maintenance services to the Department of Municipal Services (248.820.815.000) (page 168 *G) of \$138,620; will increase the DDA's total cost for those three line items by a projected \$5,310 in fiscal year 2021-22.

In the 2020-21 fiscal year, the DDA spent \$20,000 for maintenance of the tree lights throughout downtown. In 2021-22, we have budgeted \$25,000. That amount will allow us to replace and repair the remaining lights on Forest Ave. and several remaining trees throughout the downtown. Although the contractor estimated anticipated repairs for this July at \$20,000, staff added an extra \$5,000 to cover potential cost of any emergency repairs or additions the rest of the fiscal year. We are hopeful that with longer-lasting LED lights having been installed our maintenance costs will be lower the next couple of years.

Page 186 shows the DDA Capital Improvement Fund. We generally budget \$25,000 a year for repairs to the Central Parking Deck. The DDA spent \$380,000 in 2018 for an overhaul of the deck. Another \$167,000 of work was performed on the Central Parking Deck in 2020-21.

And, in 2020-21, the DDA Board voted to partner with the City and allocate \$250,000 to improve traffic and crosswalk signals at Harvey/Penniman and Harvey/Ann Arbor Trail during scheduled road construction on Harvey in the summer of 2021.

Looking ahead, the 2021-2022 fiscal year budget is on par with the current budget, and hopefully our continued efforts of being fiscally responsible will be rewarded. DDA staff has a history of being very conservative in spending, generally adding to the fund balance at the end of the fiscal year. However, expenses related new traffic and crosswalk signals, the potential additional costs for improving parking lots with money from the sale of the Saxton's property, and the possibility of having to partner with the St. Joseph Medical Center on a new stairwell (as required under a long-term easement) and as-of-yet other unknowns could have us readjusting expenditures.

In 2020-21 we had additional expenses related to COVID-19 with Takeout Tuesday restaurant and Plymouth Downtown Shopping Contest gift cards, printing of contest cards for merchants, purchasing face masks for retailers, and banner sleeves for city barricades for the downtown social district in which restaurants are using public parking spaces for outdoor dining. Because DDA staff has been conservative in spending, despite those additional expenses, and the projected quarter-of-a-million-dollar cost for traffic/crosswalk signals, the DDA is expected to end the 2021-22 fiscal year with a fund balance near the current \$765,000.

That being said, the DDA is poised to be in good financial shape.

If you have any questions regarding the budget before the Board meeting, feel free to contact the DDA office.

RECOMMENDATION: Staff recommends the DDA Board pass the attached resolution to show its support of the 2021-2022 DDA budget as presented and approved by the City Commission.

Re:	Third Quarter Budget Amendments

Issue: 2020-21 Third Quarter Budget Amendments - June 8, 2021

Analysis: The City's DDA is a separate legal corporation from the City and, as such, requires the adoption of an annual budget and the authorization of any budget amendments during the fiscal year, if necessary.

Please find the attached Revenue and Expenditure reports through April 30, 2021 for the 2020-21 fiscal year for the Downtown Development Authority (248) operating fund, as well as the capital improvement fund (405). Due to the timing of these budget amendments, they reflect what is anticipated through the end of the fiscal year. Following is an explanation of significant changes.

DDA Operating Fund

The overall fiscal health of the DDA General Operating Fund is strong. The attached budget amendments, reflected in the Budget Amendment Summary, increase the original budget by \$6,000. Through the first ten months of the fiscal year, overall revenues are down 7%, however we are still in the process of settling the tax roll with Wayne County. This process is typically concluded in April, however with decreased staffing levels at the county it has taken a little longer.

Expenditures, through the first ten months, are down 2% from this time last year. The largest proposed budget amendment in the DDA Operating Fund is a transfer from the DDA Operating Fund to the DDA Capital Improvement fund of \$100,000. The transfer is required to pay for additional parking deck work not covered by fund balance and the DDA portion of the Wilcox Fountain in Kellogg Park. In order to make this transfer, we have reduced the contingency line item to \$11,595. Also included in the expenditures is a \$226,210 payment toward outstanding debt.

DDA Capital Improvement Fund

As described above, the biggest adjustment in the DDA Capital Improvement Fund is an increase of the contribution from the DDA Operating Fund in order to cover expenses occurred in from the parking deck project, as well as the Wilcox Fountain project.

Additionally, there is a correction in an fund balance appropriation from the first quarter to adjust to final audited financials.

BUDGET AMENDMENTS

The proposed budget amendments required through the end of the third quarter of the 2020-21 fiscal year, as shown on the Budget Adjustment Summary, relate to changes in budgetary patterns which were not anticipated when the budget was originally adopted in June of 2020.

Re:	Holiday Lighting Service 2021-22 Contract Resolution

BACKGROUND:

The City Commission has passed the DDA's 2021-22 fiscal year budget, which includes \$25,000 for repair and installation of new tree lights throughout Downtown Plymouth.

In 2020, our tree light contractor, Holiday Lighting Service of South Lyon, Michigan repaired and replaced approximately half of the tree lights on Forest. This year, our contractor plans to replace and repair the other half of the trees on Forest, as well as some additional repairs to a few trees in other areas of the downtown. This year's repairs are estimated at \$20,000.

While the \$20,000 has been budgeted and approved, any spending over \$5,000 must have the approval of the DDA Board.

RECOMMENDATION:

Staff recommends the DDA Board authorize payment of up to \$20,000 in July to Holiday Lighting Service to complete the repair and installation of tree lights on Forest Ave including some additional repairs of the existing display.

Funding for this project is authorized from account # 248.820.933.000 in the 2021-22 budget, which has already been adopted by the City Commission.
