The County may seek and obtain injunctive relief in a court of competent jurisdiction and compel delivery of the Records which the Subrecipient consents to as well as all applicable damages and costs. The County has unrestricted use of the Records for the purpose of completing the services.

### **Instructions for Completing the Quarterly Program Income Report**

Income received by your organization directly generated from the use of Community Development Block Grant (CDBG) Funds, such as revolving loans, lien repayments, and sales from disposition of CDBG property, must be reported to the Wayne County Community Development Division. At the end of each quarter (June, September, December, March), complete and submit this Program Income Form to Wayne County Community Development Division, 500 Griswold 10<sup>th</sup> floor, Detroit, Michigan, 48226.

Use the Program Income Report in Excel to electronically the amount of Program Income received during the quarter, and the amount received year to date (year beginning July). Also record the amount of Program Income that was spent on an eligible activity during the quarter being reviewed and year to date. The cumulative balance space should reflect the total amount of Program Income on hand at the end of the current reporting period (this would include any unspent Program Income received during the previous reporting period).

There is also a space provided on the form for you to record the source of the Program Income received in the quarter being reviewed. If the Funds are coming from more than one source, please identify how much is coming from each source.

A CDBG Request for Payment with all required supporting documentation for the expenses paid using Program Income must accompany the Program Income Report.

Any form not received by the tenth business day after the end of the quarter review may result in the suspension of payment on vouchers submitted to the County for reimbursement. Make certain the form is signed and dated on the bottom of the form.

Please remember to clear with our office any activity requiring the use of Program Income before Program Income is expended.

**CERTIFICATIONS**

## Local Government Certifications

---

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the local government, as the Subrecipient of the jurisdiction, certifies that:

**Affirmatively Further Fair Housing** – The Subrecipient understands that the jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard. The local government will fully cooperate with the jurisdiction in this regard.

**Anti-Displacement and Relocation Plan** – The jurisdiction will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential anti-displacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs. The local jurisdiction will fully cooperate with the jurisdiction in this regard.

**Drug Free Workplace** – The local government will or will continue to provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the local government's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
2. Establishing an ongoing drug-free awareness program to inform employees about -
  - (a) The dangers of drug abuse in the workplace;
  - (b) The local government's policy of maintaining a drug-free workplace;
  - (c) Any available drug counseling, rehabilitation, and employee assistance programs; and
  - (d) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
3. Making it a requirement that each employee to be engaged in the performance of the activities supported by the grant be given a copy of the statement required by paragraph 1;
4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will -
  - (a) Abide by the terms of the statement; and

- (b) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- 5. Notifying the jurisdiction in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- 6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted -
  - (a) Take appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
  - (b) Require such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
- 7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

**Anti-Lobbying** – As a Subrecipient of the jurisdiction, to the best knowledge and belief of the local government:

- 1. No Federal appropriated Funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
- 2. If any Funds other than Federal appropriated Funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
- 3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all sub awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

**Authority of Jurisdiction** -- As a Subrecipient of the jurisdiction, to the best knowledge of the local government, the consolidated plan of the jurisdiction is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

## Specific CDBG Certifications

As a Subrecipient to the Entitlement Community, the local government certifies that:

**Citizen Participation** -- To the best of its knowledge, the entitlement community is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

**Community Development Plan** -- To the best of its knowledge, the entitlement community's consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income (see CFR 24 Part 570.2 and CFR 24 Part 570).

**Following a Plan** -- To the best of its knowledge, the entitlement community is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

**Use of Funds** -- To the best of its knowledge, the entitlement community has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG Funds, and to its best knowledge, the local government certifies that the entitlement community has developed its Action Plan so as to give maximum feasible priority to activities that benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities, which the entitlement community certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available;
2. Overall Benefit. To the best of its knowledge, the aggregate use by the entitlement community of CDBG Funds including section 108 guaranteed loans during program year(s) 2010, 2011, 2013 (a period specified by the local government consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
3. Special Assessments. To the best of its knowledge, the entitlement community will not attempt to recover any capital costs of public improvements assisted with CDBG Funds, including Section 108 loan guaranteed Funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG Funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG Funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG Funds.

To the best of the local government's knowledge, the jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG Funds, including Section 108, unless CDBG Funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG Funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG Funds if the jurisdiction certifies that it lacks CDBG Funds to cover the assessment.

**Excessive Force** – The local government, and to its best knowledge, the jurisdiction, has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to, or exit from, a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

**Compliance With Anti-Discrimination laws** – To the best of its knowledge, the grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

**Lead-Based Paint** – To the best of its knowledge, the activities of the local government and jurisdiction concerning lead-based paint will comply with the requirements of part 35, subparts A, B, J, K and R, of title 24;

**Compliance with Laws** – The local government, and to the best of its knowledge, the jurisdiction, will comply with applicable laws.

## Appendix To Certifications

### INSTRUCTIONS CONCERNING LOBBYING AND DRUG-FREE WORKPLACE REQUIREMENTS:

#### A. Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

#### B. Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I apply. (This is the information to which jurisdictions certify.)
4. For grantees who are individuals, Alternate II applies. (Not applicable jurisdictions.)
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

<NONE>

Check X if there are workplaces on file that are not identified here; The certification with regard to the drug free workplace required by 24 CFR part 24, subpart F.

9. Definitions of terms in the Non-Procurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C.812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

The following motion was offered by Filipczak and seconded by Moroz:

Resolution Approving the New Financing and Sharing Section of the Interlocal Agreement  
for the 35th District Court Authority

RESOLUTION 2024-67

Whereas the Charter Townships of Canton, Plymouth and Northville and the cities of Plymouth and Northville (collectively, the “Municipalities”) all currently utilize the Courthouse for cases originating in their respective jurisdiction and are part of the District Control Unit for the 35th Judicial Court which is housed in the City of Plymouth; and

Whereas the 35th District Court has been funded by each of the five Municipalities located within the 35th District on a pro rata basis, as defined in an Interlocal Agreement of 1989; and

Whereas the communities have agreed to amend the pro rata funding as defined in the updated Section 4 Financing: Sharing agreement (Attachment A); now, therefore be it.

Now Therefore Be It Resolved That the City Commission of the City of Plymouth approves and agrees to the new terms and conditions of the Interlocal Agreement, Section 4 Financing: sharing agreements (Attachment A) as of January 1, 2024, and further authorizes the Mayor and City Clerk to execute the Interlocal Agreement on behalf of the City of Plymouth

There was a voice vote.

MOTION PASSED UNANIMOUSLY

SECTION 4, FINANCING: SHARING AGREEMENT.

(a) All costs and obligations of the DCA, including, without limitation, the Rentals (collectively, the “Obligations”), shall be the joint obligations of the Parties in proportion to the sharing formula set forth in Section 4(c) hereof.

(b) The Obligations shall, in the first instance, be paid as and when due from the revenues derived by the District Court from filing fees, judgment fees, fines, court costs and other revenues of the District Court, other than revenues resulting from any parking violations bureau operated separately by any Party entitled to do so hereunder. The DCA shall establish, in cooperation with the judges of the District Court, an appropriate system for accounting and transfer to the DCA of such revenues.

(c) The Obligations of the Court shall be split into two components and shared by the Parties under the following formula: a fixed portion, which shall be divided by the Parties based on the proportion of each Party’s latest US Census Statistics to the total, with the remainder of the Obligations being considered a variable portion and divided by the Parties using the same proportion that the number of misdemeanor, ordinance and traffic violation cases entered and commenced in the respective Party’s jurisdiction bears to the total number of cases entered and commenced in the District Court from all Parties’ jurisdictions, as determined by the judges of the District Court under rules prescribed by the Michigan Supreme Court. The District Court revenues described in Section 4(b) shall be allocated to the Parties using the same formula as the variable portion mentioned above. The fixed allocations may be reviewed after the latest US Census Statistics are available, but no less than every ten years. Any changes to the sharing formula shall be unanimously approved by the DCA Board through a formal Board action. The funding formulas shall be as follows:

Pro Rata Fixed = (Community Population/Total Population) x (Total Budget x Fixed Portion Percentage)

Pro Rata Variable = (Community Caseload/Total Caseload) x (Total Budget x Variable Portion Percentage)

(d) Any revenues collected in excess of the Obligations shall be promptly remitted to the Parties after the results of the District Court's fiscal year are available. All payments by the Parties with respect to any shortfall shall be paid upon notice from the DCA on a prompt and timely basis in accordance with the due dates of the Obligations. In the event any Party fails to make a payment on a timely basis, any other Party may advance the required sum on behalf of the other Party, and may charge back the other Party for such amount with interest at the then applicable short term borrowing rate of the Party advancing such payment. Failure of any Party to make any payment as and when due hereunder or to reimburse any Party advancing such payment on its behalf shall be a default under this Agreement.

### Background

Each year the Michigan Municipal League hosts their annual meeting and the City has the opportunity to send a voting delegate to the convention. Generally, a member of the City Commission is the voting delegate and the City Manager is the alternate. Occasionally, another member of the staff has filled the alternate slot.

This year the convention will be on Mackinac Island, MI September 11-13, 2024. We have attached a copy of a letter that we have received from the Michigan Municipal League related to this matter.

### Recommendation

The City Administration recommends that the City Commission appoint a voting delegate and alternate to the Annual Business meeting of the Michigan Municipal League. We would suggest that the City Commission designate a member of the City Commission who may be attending the event as the delegate and either another member of the City Commission or the City Manager as the Alternate.

Honorary Members shall be entitled to participate in the discussion of any question, but such members shall not be entitled to vote. The vote of each member shall be cast by its official representative attending the meeting at which an election of officers or a decision on any proposition shall take place. Each member shall, by action of its governing body prior to the annual meeting or any special meeting, appoint one official of such member as its principal official representative to cast the vote of the member at such meeting, and may appoint one official as its alternate official representative to serve in the absence or inability to act of the principal representative.”

#### 1. Election of Trustees

Regarding election of Trustees, under Section 5.3 of the League Bylaws, five members of the Board of Trustees will be elected at the annual meeting for a term of four years. The regulations of the Board of Trustees require the Nominations Committee to complete its recommendations and post the names of the nominees for the Board of Trustees on a board at the registration desk at least four hours before the hour of the business meeting.

Please submit resolutions to the attention of Daniel P. Gilmartin, Executive Director/CEO at 1675 Green Rd., Ann Arbor, MI 48105. **Any resolution submitted by a member municipality will go to the League Board of Trustees, serving as the resolutions committee under the Bylaws, which may present it to the membership at the Annual Meeting or refer it to the appropriate policy committee for additional action.**

Further, “Every proposed resolution submitted to the Board of Trustees by a member shall be stated in clear and concise language and shall be accompanied by a statement setting forth the reasons for recommending the proposed resolution. The Board shall consider the proposal at a Board meeting prior to the next annual meeting and, after consideration, shall make a recommendation as to the advisability of adopting each such resolution or a modification thereof.
