RE: Annual Review of Liquor Licenses

Background

The members of the Local Liquor License Review Committee (LLRC) are required to meet prior to a City Commission meeting to make a recommendation to the City Commission related to the review of the annual report and the renewal, revocation, and non-renewal of licenses in the city. In addition, the LLRC must make a recommendation related to the number of licenses allowed by zoning classification.

This is a normal part of our liquor workload during this time of year. We are required to review all our records related to each establishment. Often, we find that a few establishments owe the city either past due taxes, utility bills or other invoices, and this year we are doing things a little differently. This year we are letting establishments know if they do not pay by the time of our hearing we will start a revocation process for April. As of Tuesday, March 26th there is only one establishment who has not made a payment on his past due water bill to the city. The owner has indicated that they will make payment arrangements, but has not made a payment to begin to address the past due amount.

During our agenda preparations we have found most of our establishments are in compliance with our ordinance and there are no significant issues. We have one establishment who has a history of higher call volumes, but nothing of significance. Police Chief Al Cox has had discussions with the ownership group, and this seems to have addressed the issue.

Related to the Liquor License Cap, there are currently no licenses inside of the DDA or outside of the DDA that are "available" under the Liquor License Cap in the Ordinance.

There does not seem to be any additional demand for licenses currently. In addition, there are four establishments that are not currently open. Those would be:

- The old ROC, now the Drift on Ann Arbor Road and Harvey
- The old Trakside, now Chicane – 885 Starkweather
- The old Honey Hole, now Red Ryder – 584 Starkweather
- Highline Spirits is to open in the old Wilste's Pharmacy

The City Administration does not recommend any increase in the number of licenses at this time.

Recommendation

Administrative recommendations are updated and current as of March 26, 2024, and are subject to changes pending additional information, corrections, adjustments, or payments that have been made since March 26, 2024. This notice may be added to, changed, or amended.

Park Place Gastro Pub – 336 S. Main

In order to assist the LLRC with their renewal/non-renewal recommendations to the State of Michigan, we have prepared a proposed Resolution approving the renewals as indicated and holding recommendations the one establishment.

Further, the City Administration does not recommend any increase in the number of licenses in the City. We have also attached a proposed Resolution for the LLRC related to the cap on Liquor Licenses and calling for no increase this year. If you would like to change the cap we can insert that into the Resolution.

Should you have any questions in advance of the meeting please feel free to contact either Chief Al Cox or myself.
